

Linea Primo

Linea Primo

YOUR FIRST CHOICE FOR TIMELESS ENTRYWAYS

Crafted with precision and inspired by timeless design, these entry doors seamlessly blend durability, style, and innovation.

Whether you're seeking bold architectural statements or understated sophistication, Linea Primo offers the perfect gateway to elevate every entrance. Let your first impression be unforgettable.

Modern Elegance

MODERN ELEGANCE WITH EUROPEAN PRECISION

Your entry door is more than just an entrance—it's a statement. Linea Primo delivers a perfect blend of European quality, high safety standards, and cutting-edge design.

Whether you're upgrading your home or designing a new project, our Aluminum entry doors are built to meet your needs with style, durability, and innovation.

Unmatched Safety

WE PRIORITISE SAFETY YOUR SAFETY
WITHOUT COMPROMISING ON STYLE

Arrivarri doors are equipped with advanced multi-point locking systems and constructed with high-quality, durable aluminum to ensure exceptional strength and security.

Trust in the superior craftsmanship of Linea Primo for the ultimate blend of security and design.

Sustainable Excellence

SUSTAINABILITY AT THE CORE

Sustainability is an integral part of our design philosophy. With outstanding thermal conductivity, our doors help maintain energy efficiency in your home, reducing heating and cooling costs.

By choosing Arrivarri doors, you're investing in a product that helps reduce your carbon footprint while offering lasting quality and performance.

Tailored To Your Vision

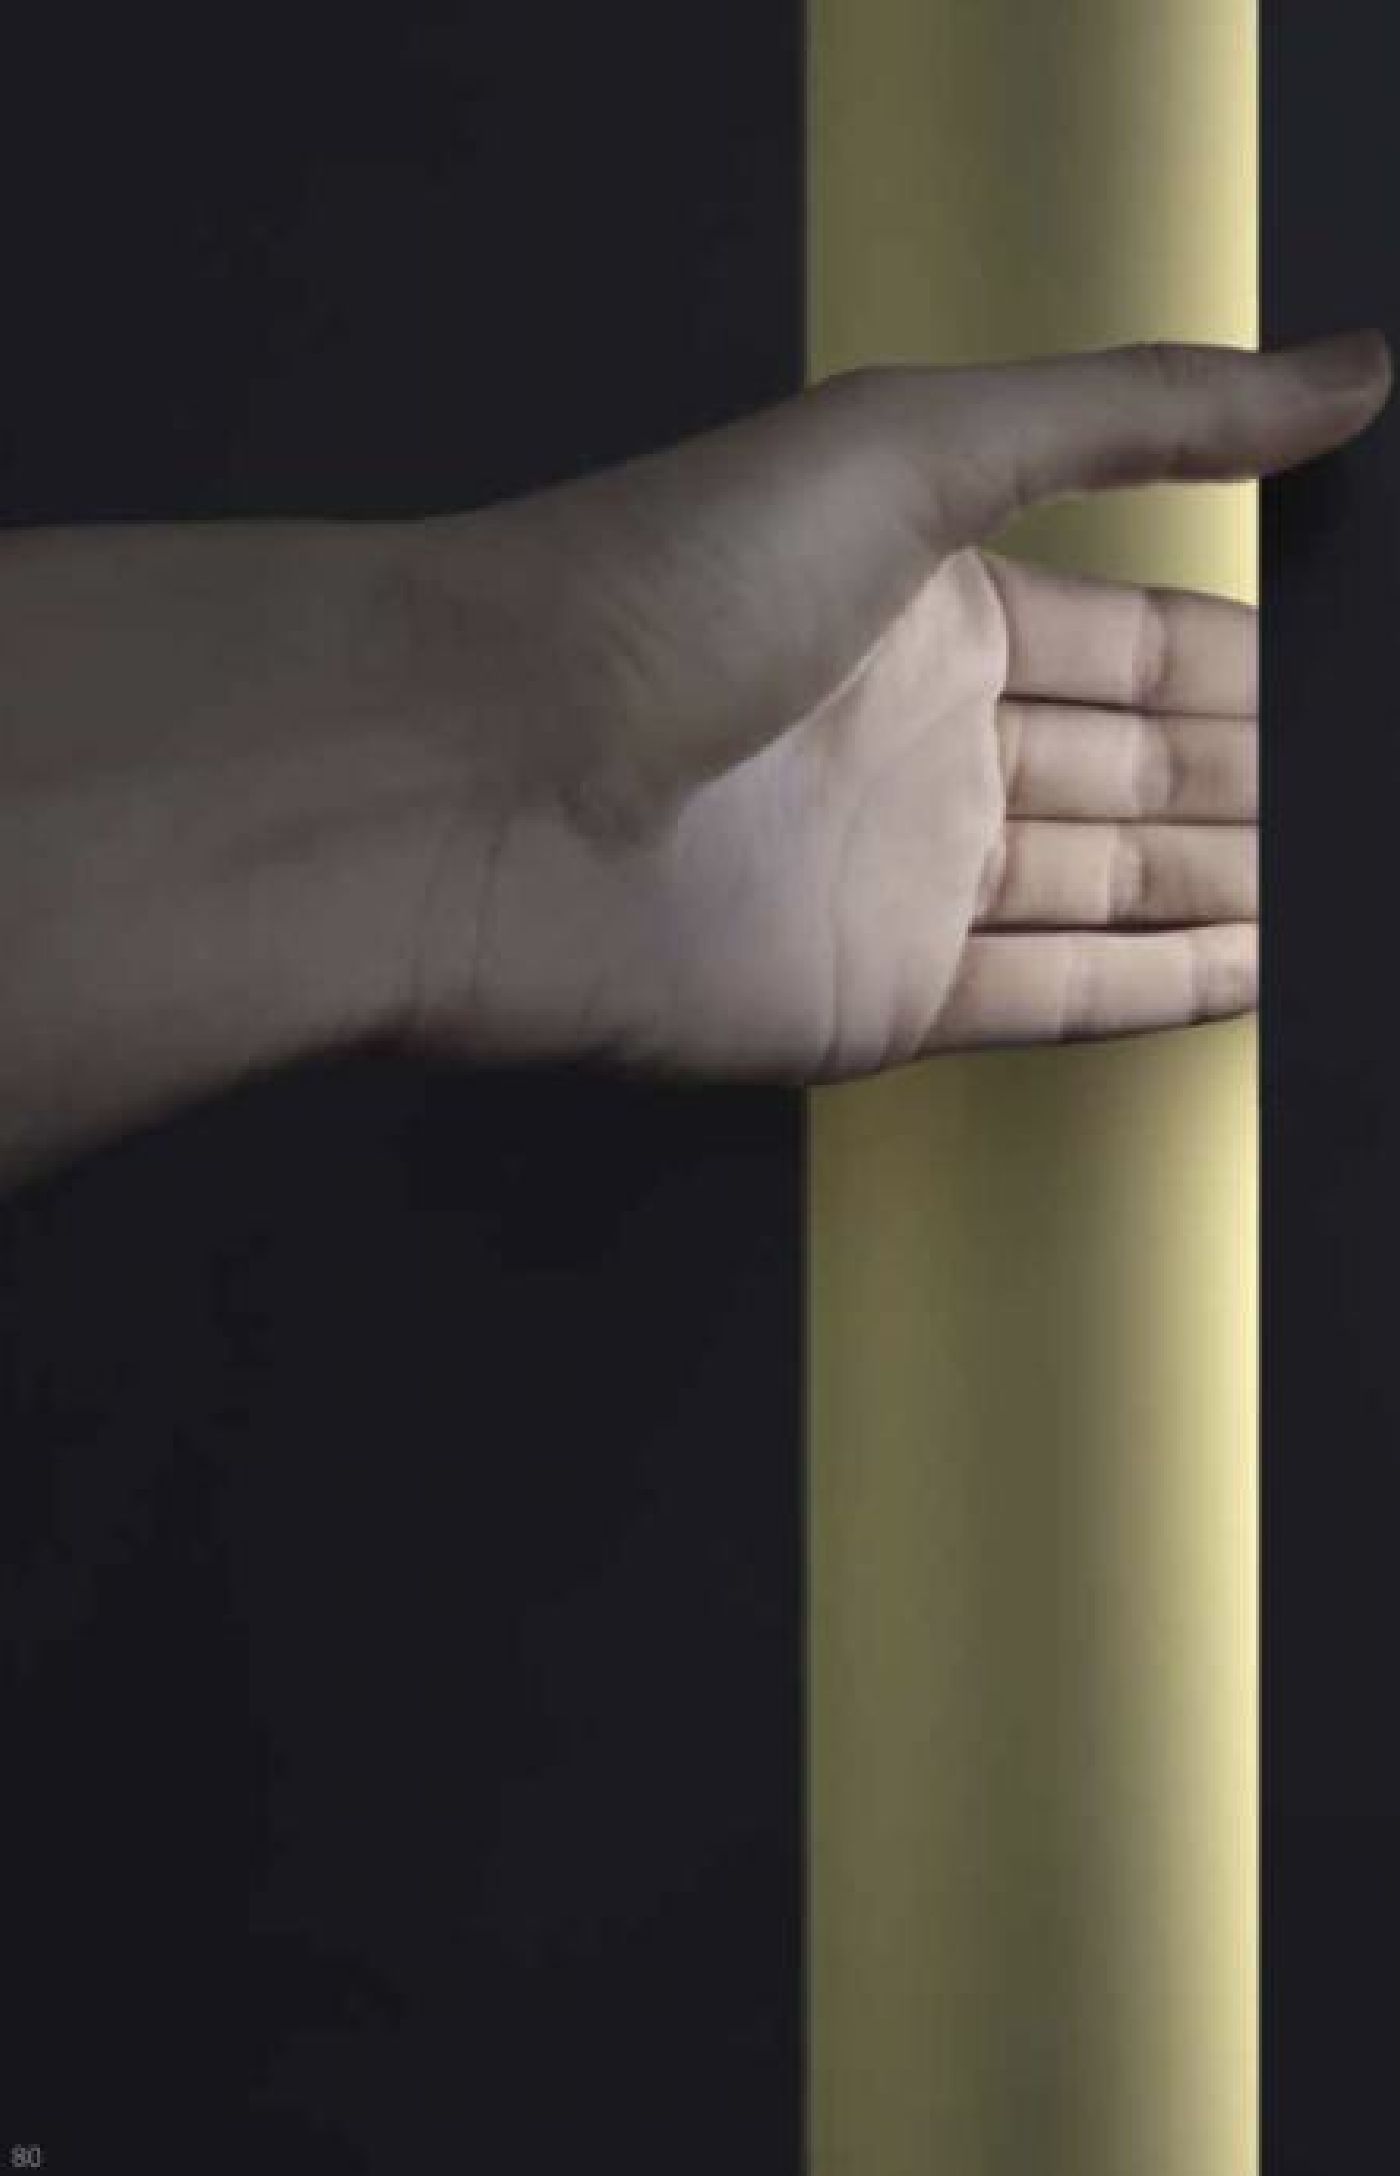

EVERY HOME DESERVES A UNIQUE TOUCH

Linea Primo offers a range of customisation options, including dimensions, finishes, and allowing you to create a door that perfectly reflects your style.

You will appreciate the versatility and flexibility of our designs, which integrate seamlessly with a variety of modern projects.

Classica Lumina

THE IDEAL BLEND OF MINIMALIST DESIGN
AND CONTEMPORARY ELEGANCE

Lumina, the recessed, illuminated handle is a masterpiece that blends seamlessly with the door's architecture, offering a sophisticated glow that elevates any entryway.

The harmonious fusion of light and lunar elegance defines the Lumina handle, making it a perfect addition to doors that seek to convey both style and functionality.

Revolutionary Structural Integrity

DOORS DESIGNED WITH UNPARALLELED STRUCTURAL INTEGRITY

Arrivarri entry doors are designed with unparalleled structural integrity, incorporating a 5-chamber profile that enhances durability and stability.

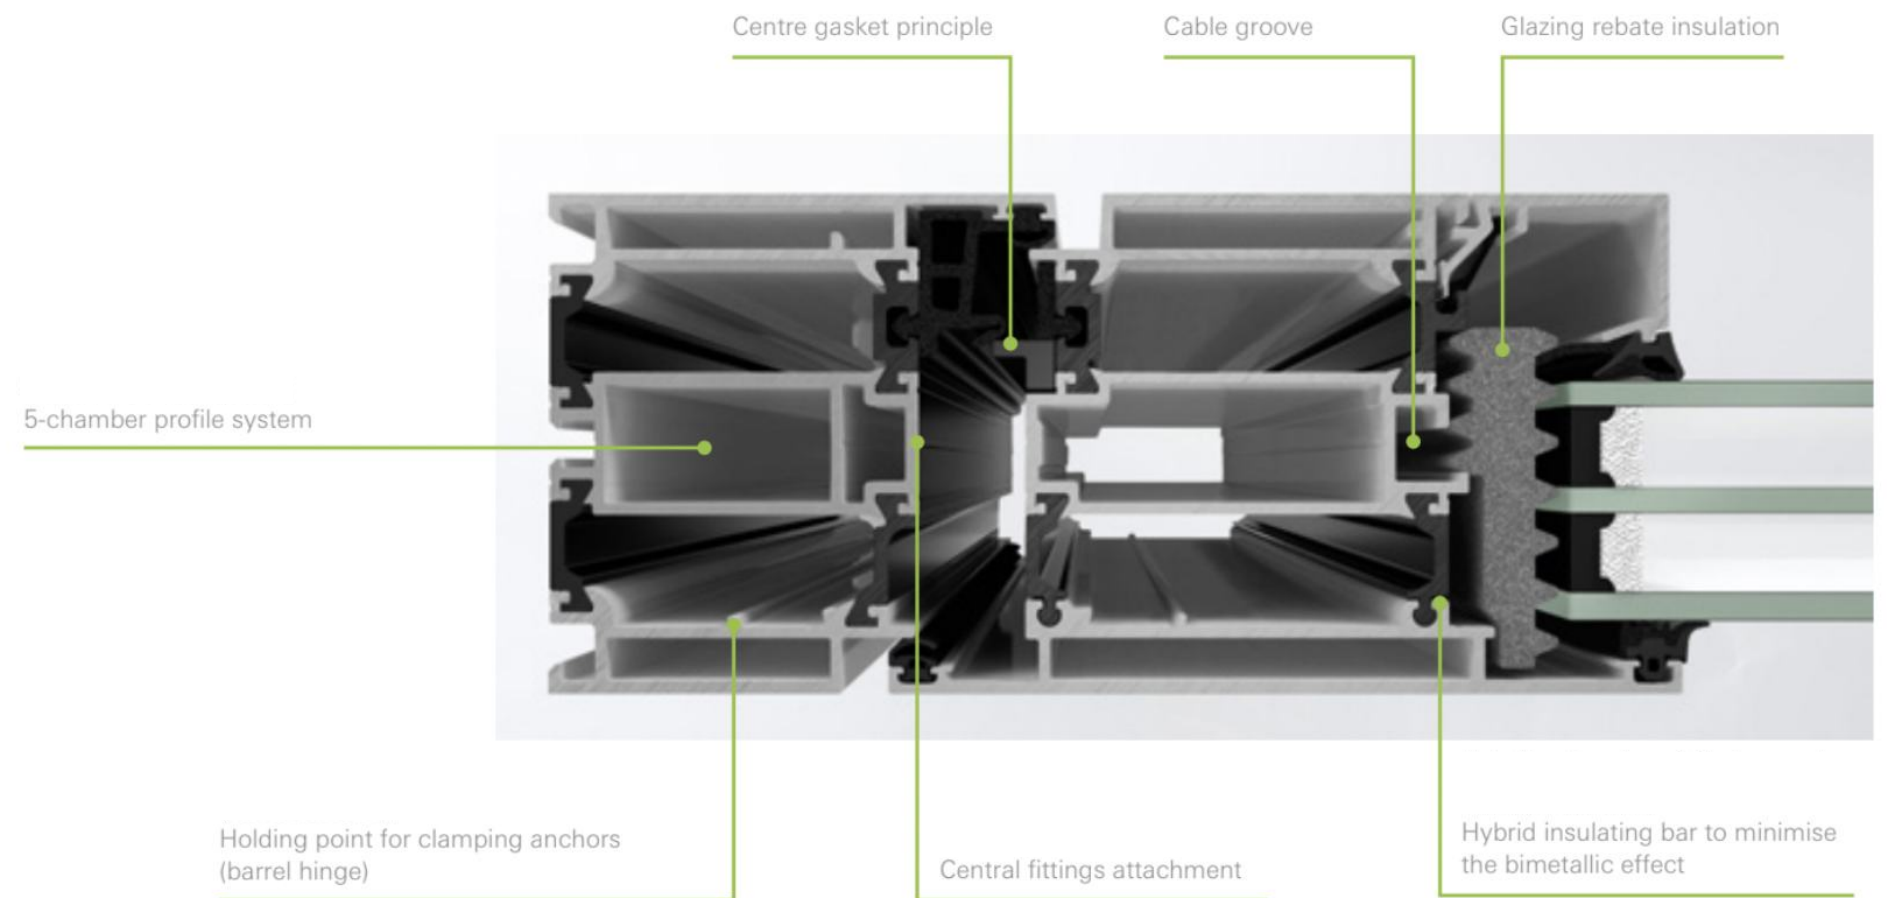

Advanced profile design, combined with a hybrid insulating bar, ensures superior thermal insulation and energy efficiency, reducing heat loss and minimising energy consumption.

DIMENSIONS HINGED DOORS

Custom Sizing with max dimensions listed
